

Automatic Parts Washers

#1 in North America for High-Pressure Cleaning Equipment

Choose From 2 Different Styles...

Hotsy offers **top-load** and **front-load** automatic parts washers, available in over 30 different configurations. Here are a few of the many standard features on a Hotsy parts washer:

- Integrated oil skimmer helps remove oil from cleaning solution in the reservoir
- Recessed base provides ample foot clearance for easy loading and unloading
- Easy access debris screen prevents foreign objects from falling into the reservoir
- Sump access panels make for easier sump cleanout
- Hotsy's internal roll-away door on front-load models saves floor space
