Nobody Knows Brewery Cleaning Like Hotsy!

We've been Pressure Washer Specialists to the Brewing Industry for over 40 years

A wide variety of GPM and pressures available

- Hotsy pressure washers pay for themselves in no time by protecting your equipment from microbial contamination, bacteria, wild yeast and molds as well as reduces the need for costly sanitizers and disinfectants used in brewing operations
- Choose from over 80 models
- Electric and Portable Oil-Fired models for multiple uses
- All-Electric hot water units requiring no additional fuel source or venting and LP or NG Stationary units for safe use inside bottling plants
- Narrow machine widths for navigating narrow doors and alley ways
- Solid rubber or pneumatic tires for ease in maneuvering
- Hotsy hot-water models easily achieve water temperatures to kill harmful bacteria and organisms, lowering the amount of disinfectants needed
- Hot water cleans and sanitizes best and Hotsy is North America's #1 Name in High-Pressure Cleaning Systems

Hotsy pumps carry a 7-year warranty and a 5-year heater coil warranty. All Hotsy models are ETL-Certified to rigid UL-1776 safety standards.

Heavy-Duty Pressure Washers for the Brewery Industry!

Outstanding Local Service

Hotsy has more than 130 sales and servicing distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs. Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

This seasoned network of local service professionals will ensure you get the safest, most cost-effective and most efficient cleaning solution to your specific cleaning need.

Clean better with Hotsy detergents

Hotsy pressure washers clean best when matched with Hotsy detergents, specially formulated for high-pressure cleaning and sanitizing. More than 40 liquids and powders meet every cleaning need imaginable. Hotsy's exclusive advanced-formula HCC additives help prevent scale build-up and fight corrosion in your equipment. Most Hotsy detergents are USDA and Canadian Agriculture approved. All are highly concentrated, so a little goes a long way.
